XI LYVROW YN KERNEWEK UNYS ~ Books in Unified Cornish {U}:

Twenty-three years ago, in 1987, the Cornish Language Board adopted the revised spelling system known as Kernewek Kemmyn and has a policy to produce its publications in this system. Residual stocks of books in KU were sold in 2002 to Mr Ray Chubb (01209 842394) to whom all enquiries should be directed.

The Cornish Language Board still accepts KU students on the KDL correspondence course. In the light of recent developments regarding the spelling system for formal education and public use (the Treynon Agreement), examinations in KU will be phased out in favour of the SWF/FSS by 2013.

A KU version of the New Testament (converted by macro and considered 95% correct) has been made available on the Cornish Bible website or on CD from Rev. Brian Coombes 01326 210788.
