Discussion

This card may not be removed from the examination room.

You have 10 minutes to prepare a presentation based on this information. You may use a dictionary at this time and may make notes on this question paper. You are not allowed help from any source other than the dictionary. You may **not** use the dictionary again after the initial preparation time but you may make use of your notes.

At the end of the preparation time you will be asked to give an oral presentation of your allotted scenario to the other candidates attempting to convince them of the merits of your idea. This presentation will last no longer than two minutes.

While the other candidates are talking you may make notes of what they say.

When all candidates have completed their presentation there will be a group discussion about all ideas presented. You do not have to support your given topic at this stage. You should all attempt to come to a consensus on which of the ideas is the best.
